FUTHER DETAILS

CLASSIC COTTON TROUSERS FOR DOCTORS AND HEALTHCARE PROFESSIONALS

These men's trousers made from **100% cotton** are a comfortable and professional choice for **doctors, medical professionals and healthcare staff**. They are particularly suitable for everyday use in **hospitals, medical practices and healthcare facilities** where breathable comfort, hygienic washability and a classic appearance are important.

Particularly suitable for:

Doctors working in hospitals and medical practices
Medical professionals in practices and healthcare facilities
Healthcare teams looking for breathable cotton workwear
Professionals who prefer a classic and comfortable trouser style

The **breathable 100% cotton fabric** provides a natural and comfortable feel throughout long working days. With a fabric weight of **205 g/m²**, the trousers combine everyday durability with pleasant wearing comfort.

The **classic pleated design** and regular fit create a professional appearance while offering comfortable freedom of movement. Two practical side pockets and a **closable back pocket** provide useful storage for everyday essentials.

WASHING INSTRUCTIONS

95°C Boiling wash (normal process)
Bleaching allowed
Mild drying process
Hot iron
Professional dry cleaning

The trousers are **washable at up to 95°C**, making them particularly suitable for professional environments with high hygiene requirements. Chlorine and oxygen bleaching are also permitted.

Available in **short, regular and long sizes**, these men's cotton medical trousers are a practical option for outfitting professionals and teams in **medical practices, hospitals and healthcare facilities**.
