FUTHER DETAILS

LIGHTWEIGHT WOMEN'S COAT FOR HEALTHCARE, PHARMACY AND LABORATORY

This white women's coat made from **100% cotton** combines a professional appearance with a lightweight and breathable feel. It is particularly suitable for **female doctors** as well as for use in **healthcare facilities, pharmacies and laboratories**. It is also a practical choice for **testing and development laboratories** where functional workwear and a neat professional appearance are important.

Particularly suitable for:

Female doctors working in medical practices, medical care centres and hospitals
Healthcare facilities and outpatient departments
Pharmacies and pharmaceutical workplaces
Testing and development laboratories

The particularly **lightweight and breathable cotton fabric** supports a comfortable feel even during long working days. Made from **100% cotton** with a fabric weight of **205 g/m²**, the coat is pleasantly light and suitable for everyday professional use.

The **stand-up collar with V-neck**, concealed press-stud front and slim fit create a modern and professional look. A front yoke adds to the clean appearance of the women's coat.

WASHING INSTRUCTIONS

- 95°C Boiling wash (normal process)
- Bleaching allowed
- Mild drying process
- Hot iron
- Professional dry cleaning

Two spacious side pockets and a practical **pager pocket** provide useful storage for smartphones, keys, pens and smaller work essentials. For hygienic processing, the coat can be **washed at up to 95°C**; chlorine and oxygen bleaching are also permitted.

This makes the cotton coat a versatile choice for **healthcare facilities, pharmacies and testing or development laboratories**, combining comfortable wear, professional appearance and practical functionality.
