FUTHER DETAILS

FUNCTIONAL UNISEX CARGO TROUSERS FOR HEALTHCARE AND NURSING

These white unisex cargo trousers combine **comfortable wear with plenty of practical storage space**. They are ideal for **medical professionals, nursing staff and doctors** who need important work essentials close at hand throughout the day. Whether in **medical practices, medical care centres, hospitals, care facilities or outpatient care**, the functional design supports an active working routine.

Particularly suitable for:

Medical professionals in practices, medical care centres and hospitals
Doctors working in healthcare facilities
Nursing staff in residential care facilities
Nursing staff in home and outpatient care
Work environments where additional practical storage is required

The **elasticated waistband with integrated drawstring** allows individual adjustment and provides a comfortable fit throughout the working day. The regular fit offers plenty of freedom of movement when walking, sitting, bending or carrying out examinations, treatments and nursing tasks.

WASHING INSTRUCTIONS

95°C Boiling wash (normal process)
Bleaching allowed
Mild drying process
Iron at moderate temperature
Professional dry cleaning

Suitable for industrial laundering - ISO 15797

A particular advantage of these healthcare cargo trousers is the **generous pocket design**. In addition to two side pockets, they feature **two closable cargo pockets with flaps**. One cargo pocket includes an additional smartphone compartment, while the other features an attached pen pocket. This keeps smartphones, pens and other smaller work essentials organised and quickly accessible.

The durable fabric blend of **65% polyester and 35% cotton** with a fabric weight of **215 g/m²** is designed for daily professional use. The trousers are **washable at up to 95°C** and **suitable for industrial laundering according to ISO 15797**, making them particularly suitable for workplaces with high hygiene requirements.

As a **unisex model available in short, regular and long sizes**, these cargo trousers are also an excellent choice for outfitting complete teams. They combine high wearing comfort, functional storage, professional washability and versatile use in healthcare and nursing.
