FUTHER DETAILS

COMFORTABLE UNISEX WORK TROUSERS FOR CARE, HEALTHCARE AND SERVICE

These unisex work trousers for women and men are a versatile choice for workplaces where **comfort, freedom of movement and practical functionality** are essential. They are particularly suitable for use in **care and healthcare** as well as in service professions such as **housekeeping, cleaning and gastronomy**.

Particularly suitable for:

Care facilities and outpatient care services
Healthcare facilities and functional departments
Housekeeping and facility services
Cleaning and commercial cleaning
Gastronomy, kitchens and service teams

The **elasticated waistband with drawstring** ensures a comfortable and uncomplicated fit throughout the working day. The regular fit provides plenty of freedom of movement and makes the trousers a practical choice for jobs involving frequent walking, standing and movement.

The **durable cotton-polyester fabric** is designed for regular professional use and is suitable for both care and healthcare environments as well as service-oriented

WASHING INSTRUCTIONS

95°C Boiling wash (normal process)
Bleaching allowed
Mild drying process
Iron at moderate temperature
Professional dry cleaning

Suitable for industrial laundering - ISO 15797

workplaces. Two practical side pockets provide space for smartphones, keys and smaller work essentials.

The trousers are **washable at up to 95°C** and **suitable for industrial laundering according to ISO 15797**, making them particularly suitable for professional environments where hygienic and efficient textile care is important.

Thanks to the **unisex fit**, the trousers can be worn by both women and men and are particularly suitable for providing larger teams with a consistent look – from **care and healthcare facilities to housekeeping, cleaning and gastronomy**.
