FUTHER DETAILS

MODERN UNISEX JEANS FOR DOCTORS AND HEALTHCARE PROFESSIONALS

These white unisex medical jeans combine a **modern jeans look** with the practical requirements of everyday healthcare work. They are particularly suitable for **doctors and medical professionals** working in **medical practices, medical care centres and hospitals** who are looking for a contemporary alternative to classic medical trousers.

Particularly suitable for:

Doctors working in medical practices
Doctors working in medical care centres
Medical teams in hospitals and outpatient departments
Healthcare professionals looking for a modern jeans-style alternative

The **classic five-pocket style** and wide belt loops give the trousers their modern jeans appearance. At the same time, the **adjustable elasticated waistband at the back** provides a comfortable and individually adaptable fit – particularly useful during long and active working days.

The durable fabric blend of **65% polyester and 35% cotton** with a fabric weight of **245 g/m²** is designed for regular professional use. It combines a robust, jeans-like feel with the practical requirements of everyday medical work.

WASHING INSTRUCTIONS

95°C Boiling wash (normal process)
Bleaching allowed
Mild drying process
Iron at moderate temperature
Professional dry cleaning

Suitable for industrial laundering - ISO 15797

One watch pocket, two side pockets and two back pockets provide practical storage for smartphones, keys and smaller work essentials. The jeans are also **washable at up to 95°C** and **suitable for industrial laundering according to ISO 15797**, making them suitable for professional environments with high hygiene requirements.

As a **unisex model available in regular and long sizes**, these medical jeans are also well suited to outfitting complete teams. They combine a modern jeans look with comfort, practical functionality and professional washability.
