FUTHER DETAILS

CLASSIC COTTON COAT FOR HEALTHCARE, PHARMACY AND LABORATORY

This white women's coat made from **100% cotton** combines a classic, professional appearance with a lightweight and breathable feel. It is particularly suitable for **female doctors** as well as for use in **healthcare facilities, pharmacies and laboratories**. It is also a practical choice for **testing and development laboratories** where functional workwear and a professional appearance are important.

Particularly suitable for:

Female doctors working in medical practices, medical care centres and hospitals
Healthcare facilities and outpatient departments
Pharmacies and pharmaceutical workplaces
Testing and development laboratories

The particularly **lightweight and breathable cotton fabric** provides a comfortable feel throughout the working day. Made from **100% cotton** with a fabric weight of **205 g/m²**, the coat offers a good combination of comfort and suitability for everyday professional use.

The **classic stand-up collar** creates a clean and professional look. Together with the **regular fit, back belt and rear vent**, it provides a traditional coat design with

WASHING INSTRUCTIONS

95°C Boiling wash (normal process)
Bleaching allowed
Mild drying process
Hot iron
Professional dry cleaning

comfortable freedom of movement. The concealed press-stud front completes the neat appearance.

One chest pocket and two side pockets provide practical storage for pens, smartphones, notes and smaller work essentials. For hygienic processing, the coat is **washable at up to 95°C**; chlorine and oxygen bleaching are also permitted.

This makes the women's cotton coat a versatile choice for **medical practices, healthcare facilities, pharmacies and testing or development laboratories**, combining a classic professional look with breathable comfort and practical functionality.
