What makes BP® design so special?

Unique: BP® design is an expression of high quality, advanced technologies and respect for the wearers of our clothing.

Innovative: BP® design takes account of the latest technical developments and changes in the way our clothes are used.

Durable: BP® uses resources sparingly and conscientiously. Our designs remain stylish for many years to come.

Functional: BP® design considers, above all else, how our clothes will be used on a daily basis, and ease of use is our ultimate goal in product development.

Clear: BP® design is clear and self-explanatory, though the clothes are designed not only with function but also aesthetics in mind. This makes them an essential part of your work day.

Consistent: BP® design leaves nothing to chance and is consistently thought through down to the last detail.

BP® design is always oriented towards our wearers and their many needs.

Our biggest contribution to sustainability: BP® quality.
